Present the 2nd annual

## **Youth Service Symposium**

Healthy people, Healthy Communities,  
Healthy Planet

You are invited to participate in  
the 2007 Youth Service  
Symposium. This event will  
provide youth with the  
opportunity to present, to their  
peers and the community, their  
service learning projects, research,  
and ideas about ways to create  
healthy sustainable lifestyles.

If you are interested in participat-  
ing with your class or providing  
support to a class, and to receive  
a registration packet, please con-  
tact SWEP!
