Meeting Notes

December 2, 2003

Parasol Building, Incline Village, NV

If you could do anything for education in Nevada, what would it be?

- Create a sustainable program, team
- Students performing water quality monitoring in every stream in Lake Tahoe
- Recycling program
- TV Video promotions
- That others would recognize value of Environmental Education
- Convince the people with money to fund it
- Create an institutionalized program (which grade to focus on)
- Consistency
- Promote adoption of sustainable lifestyles
- Standardized curriculum and web-based
- Interdisciplinary program (including arts, spirituality, culture, etc...)
- Working together, not isolated
- Reform school education as it currently is executed—promote integrated learning
- Start a small program, show results first

What are you expectations you'd like addressed?

- Are we a team?
- Go for grant funding for Community Coordinator to support Nevada schools
- Create a link to other districts in Basin
- Help agencies get into schools (i.e. how can they advertise they meet standards?)
- Pick a grade to focus on first, then expand
- Real Project, real need
- Cross age learning
- GBOS is a great place for older students to apply skills acquired
- GLOBE is a good model program
- Adopt-a-Watershed Leadership Institute-would be a good way to support our efforts
- Will you make a commitment to work on this or parts of this?
- NSTA-is this a recruitment opportunity?

- Daily oral language exercises-option for the Teach Tahoe
- Learning Center-MRE and UNR have expressed interest in starting
- Replacement units-create a unit that can easily replace existing units and school districts will use it

#### What's Next?

- Recruit Teachers at NSTA-create a sign-up sheet and take to conference-Jenny
- Recruit teachers to come to next meeting in January-John, Anga, DC, Birgit, Jenny, Bill, Jill
- Teach Tahoe Curriculum-DC, Dana, Jill, Anga, John
- Incline, Deer, Rosewood Creeks restoration-DC, Birgit
- Demo Garden-Anga, John
- Reading Circles-Jenny, Dan, Jill, Anga
- TIIMS/LTEEC website-Bill, Jill, Heather
- NDEP grant-Jenny, John, Jill, Heather, DC (with specific tasks)

Next time we will meet at the Parasol Building on January 20<sup>th</sup> from 4 to 6 pm

I will bring food, invite other non-profits and agencies

We need to bring someone from Douglas county
