

Adopt-A-Watershed Leadership Team
Objective Setting for 2002-03
June 18, 2002

Present: Toni Rockwell, Jan Ellis, Christine Mc Morrow, Heather Segale, Sarah Green, Heidi Bushway-Verkler

The following set of objectives are what this summer's Leadership Institute attendees will use to guide them in creating a time line and identifying the tasks necessary to accomplish the objectives. Each objective is based on the starred items from May 16th's think sheets.

A: Organization and Support

Objective I: The creation of educational teams, consisting of at least two (preferably three) teachers per site, with at least three schools within TTUSD having an educational team for school year 2002-03.

- Educational teams identify their roles according to their school's needs and interests.
- Create a communication system within the school.
- Highlight a school's or teacher's projects already being done

Objective II: Develop a grade-level specific watershed education plan for Tahoe-Truckee and North Tahoe students.

- Use South Tahoe program as a model
- Create class presentations
- Support for teachers at those grade levels involved

Objective III: Tie projects in with already established events as venues for students to showcase their service projects.

- Use Forest Stewardship Day, Earth Day and Snapshot Day

Objective IV: Create a watershed/service learning bulletin board at each school site.

- Create a similar display at each school site

Objective V: Hold quarterly meetings for Leadership Team

B: Outreach

Objective I: Contribute to Heather Segale's TV show and newspaper column

Objective II: Expand the Community Leaders in the Classroom resource book and get copies to teachers

Objective III: Use students from John Echols video production class to produce SWEP video and help document watershed projects

C: Professional Development

Objective I: Facilitate the planning for a Community Leaders in the Classroom training with Kim Stokely

D: Demonstration

Objective I: Identify ways to enhance ongoing projects.

- Incorporate Return of the Natives and others
