

October 9, 2006, 3:30-5:30

Sierra Mountain Community Education Center (SMMS), Truckee

1. 3:30-3:45 Welcome and introduction to TTREC
 1. Encourage people to provide a paragraph about their organizations, interests, resources, needs etc. to add to our TTREC information and outreach list. Some have already done this. Could be posted on the website that Derek is creating
 2. Reminder of Health as number one topic of importance at end of last year. This is also the topic of Education Matters first working group
2. 3:45-4:00 Service learning pre-reflection activity
 1. describe what service learning is (3min); introduce elements; pass hat with pieces of paper that have the elements on them have people find others with the same element (or have the people sitting next to each other with different elements)
3. 4:00-4:45 Partners fair share and planning time; teachers and community partners share project ideas and resources
 1. Give people 30 seconds to introduce themselves, what they would like to talk about for the breakout. Have someone write these on chart paper; organize into themes/interests; help people make connections for breakouts.
 2. In Breakouts: Encourage people to come up with project ideas (big ideas) (have scratch paper and pens on tables for people to record their ideas; we want to capture these in order to help people make connections); Have groups share out; record ideas on butcher paper;
4. 4:45-5:15 End of year Service Learning Symposium idea brainstorm and planning
 1. Date (may 4, 2007); times; theme; specific ideas for the symposium (where; types of presentations; do we want to do a service project at SMCLC?)
5. 5:15-5:30 Reflection/closure
 1. Reflection could be 'I commit to..' post cards
 2. Next meeting: November 13 @NTMS, Lindee's room. There will be a featured guest speaker; Possibly a presentation by youth team that went to Africa with Doug Stoup.
 3. IF there is time, it would be nice to make announcements
