PRESENTS

The 3rd Annual Youth Service Symposium: **WHAT ON EARTH ARE YOUth DOING?**

A Celebration of Service Learning in our Region

May 16, 2008
North Tahoe Middle School
10:00AM-1:30PM

We are inviting youth to present their ideas, research, and service learning projects to their peers and the community. Show everyone what **YOU** are doing to make your world a better place for future generations. Contribute your work, watch exciting demonstrations, and meet other people committed to making a positive change.

If you are interested in participating, volunteering, or contributing your project contact Eric McKee or Nicole Deas -
