

Sierra Watershed Education Partnerships  
Environmental Stewards Leadership Program 2006  
Participant Agreement

As a participant in the 2006 Environmental Stewards Leadership program, I,  
\_\_\_\_\_ agree to:

- Participate, at minimum, 60 hours in the program.
- Keep a journal record of my activities, observations and reflections of my experience.
- Compile a portfolio of my activities, including pictures, journal entries, monitoring sheets, information about the organizations worked with, letters of reference or recommendation from partners, etc.
- Participate in at least one restoration project.
- Lead and organize a service learning project.

SWEP agrees to provide participants in the Environmental Stewards Leadership program the following:

- Participation stipend of \$225, for the completion of 60 hours participation in the program
- Transportation stipend of \$50; this is for transportation costs of getting to/from project and event locations. (bus, trolley, dial-a-ride, and TART or gas)
- Portfolio and journal supplies
- Camera and photo processing
- Letter of recommendation
- Access to other leadership opportunities, scholarships, etc.

Community Partners agree to provide participants in the Environmental Stewards Leadership program the following:

- Minimum of 24 hours of field experience; supervised and dedicated time to working with participants
